### Nettie Coleman Observes 81st Anniversary

18 Nov 1955 55  
Mrs. Nettie Coleman celebrated her 81st birthday on November 11. A dinner was served at noon at her home to her immediate family and two of her sisters, Nellie Lindsay and Irinda Muir. During the afternoon a great many relatives and friends called to express good wishes.

She is enjoying good health and appreciates all the lovely cards and gifts left her by friends. Her granddaughter and husband, Mr. and Mrs. Eugene Slagowski and daughter of Evanston, Wyoming spent 2 days with her. She is now visiting at the home of her daughter, Mrs. Jay McNaughton.
